Nobles All:

The Great Lakes Association of Shrine Motor Corps (GLASMC) allows Shrine units from the temples surrounding the Great Lakes Area to compete against each other to increase their skills and experiences for these driving enthusiasts. Competitions are held every September over a 3-day period culminating in an impressive parade where all of the Shrine Temple in attendance can participate. The host Temple changes from year to year. Competitions are not limited to the Motor Corps; any and all, motorized units have the ability to compete against their Great Lakes Shrine counterparts.

Units can compete in the following events:

1. **Inspection** – The Unit is inspected for uniformity of their equipment and uniforms (minimum of 4 members required).
2. **Drill** – A 5- to 10-minute routine performed by the unit (minimum of 4 members required).
3. **Obstacle Course** – Complete a prescribed course in the quickest time. No minimum member number required (individuals may participate).

This year's competition will be hosted by Moslem Shrine Temple in Ann Arbor, Michigan. The general membership meeting will be at the Wyndham Hotel at 8:00am on Friday, September 30th, 2022, with the competition to follow at Briarwood Mall. The awards banquet will be held at the Double Tree on Saturday, October 1st, 2022. Cocktail hour starts at 5:00pm with dinner to follow at 6:00pm. The award ceremony will commence after dinner. The aforementioned information will be sent out and posted on the website.
